TINKA AMENDS TERMS OF PRIVATE PLACEMENT FINANCING

Vancouver, Canada - Tinka Resources Limited (the “Company”) (TSXV - TK; Frankfurt - TLD; Pinksheets - TKRFF) is revising the terms of the private placement of units originally announced on June 1, 2011. Under the revised terms, the Company has engaged Union Securities Ltd. (the “Agent”) to act as agent, on a reasonable commercial efforts basis, for a brokered private placement (the “Brokered Offering”) to raise up to \$2.31 million by the issuance of up to 6.6 million units of the Company (each a “Unit”) at a purchase price of \$0.35 per Unit. The Company will also issue up to 1.2 million Units pursuant to a concurrent non-brokered private placement (together with the Brokered Offering, the “Offering”) for total gross proceeds of up to \$2.73 million under the Offering. Each Unit will consist of one common share and one common share purchase warrant (a “Warrant”). Each whole Warrant will entitle the holder thereof to purchase one additional common share of the Company (a “Warrant Share”) at an exercise price of \$0.50 per Warrant Share for a period of 12 months following the closing (the “Closing Date”) of the Offering, subject to an accelerated expiry date in the event that, after the date which is 4 months after the Closing Date, the closing price of the common shares of the Company listed on the TSX Venture Exchange is greater than or equal to \$1.00 for a period of 10 consecutive trading days.

In consideration for its services, the Agent will receive a cash commission equal to 8% of the gross proceeds from the sale of the Units under the Brokered Offering, 60,000 options (each an “Agent’s Option”) and additional Agent’s Options exercisable into that number of Units equal to 10% of the number of Units sold pursuant to the Brokered Offering. Each Agent’s Option will be exercisable, in whole or in part, at any time up to 12 months following the Closing Date to acquire one Unit at an exercise price of \$0.35 per Unit. The Company will also pay the Agent a work fee and reimburse the Agent for reasonable expenses incurred in connection with the financing.

The Offering is subject to the receipt of all necessary regulatory approvals, including acceptance by the TSX Venture Exchange. The securities issued under the Offering will be subject to a four month hold period under applicable Canadian securities laws.

The net proceeds from the Offering will be used to finance exploration on the Company’s Colquipucro and Tibillos projects located in Peru and for general corporate purposes.

On behalf of the Board,

“**Andrew Carter**”
